Subject: New Project Proposal for SAS-2

Debbie,

Today, T10 voted to forward a project proposal to INCITS on a SAS-2 project:

"10.1 Project proposal for Serial Attached SCSI - 2 (SAS-2) (02-429) [Elliott]

George Penokie described the need for a SAS-2 project. He noted that a goal of the SAS-2 is not to include an increase in speed.

Rob Elliott moved that 02-429r1 (r0 as revised) be approved as a proposal for a new project, SAS-2. Bill Galloway seconded the motion. The motion passed on a vote of 30:0:2:12=44, meeting the two-thirds rule.

John Lohmeyer took an action item to forward 02-429r1 to INCITS as a new project proposal for SAS-2."

Please forward this project proposal to INCITS for approval.

Thanks!  
John
